The Deputy and Asst Commr. recommend that the annual instalment for repayment of balance of loan may be reduced from Rs 800 to Rs 400. The recommendation may be sanctioned. Some concessional treatment of this loan is necessary as it was taken for constructing a building for providing lodging to pilgrims visiting this Shrine. The reduction in the amount of annual instalment will also help the Sajjada in maintaining the institution in a proper condition. The balance left after paying Rs 800 would not suffice for meeting the normal demands of the institution.

MAY IT PLEASE YOUR HIGHNESS,

I Hajee Syed Mrutuja Sha Quadri, Sajjada of Sree Guru Dattatreya Bababudenswami Peeta most humbly beg to being to YOUR HIGHNESS's benign consideration that I have constructed .... buildings on the peeta at a cost of Rs.7000/- for the use of musafars and there is work still to be carried out at a cost of two thousand rupees to complete the same. The whole work has been estimated to cost Rs.9000/-

For the above work I have obtained a loan of Rs.4000/- from the Government of which I have repaid a sum of Rs.1000/- being the first instalment.

Owing to general trade depression and tightness of the money market I beg to submit that I am not in a position to repay the balance of loan to Government. The amount of loan has all been spent for the construction of the buildings for the the use of pilgrims who frequent the darga on a pilgrimage ...

In these circumstances I pray that your Highness may be graciously pleased to command that the balance of loan due by me to Government may be remitted. The Darga may be placed in a position just as other similarly situated mutts are .... placed by the Government Of YOUR HIGHNESS.

SIR,

With reference to your letter No.933/Muzrai dated 7th January 1932 forwarding for report, petitions from the Sajjada of the Sri Guru Dattatreya Bababudanswami Peeta regarding the remission of the balance of the loan granted to the Sajjada and providing water facilities to the Travellers' Bungalow near the Darga, I have the honor to forward herewith copy of letter No.A5-2732-31 dated the 14th July 1932 from the Deputy Commissioner, Kadur District, reporting that no good case has been made out for excusing the balance of the loan amount and that the balance of loan viz., Rs 3,000/- may be ordered to be recovered at Rs 400/- a year.

As regards water facility to the Travellers' Bungalow, the Deputy Commissioner states that it is not worthwhile spending money on this account since it is under contemplation to have the Bungalow rebuilt on a more suitable site.

I agree with the Deputy Commissioner's views.

Enclosures received with the Deputy Commissioner's letter are herewith submitted for kind perusal and return.

I have the honor to be,

Sir,

Your most obedient servant,

Muzrai Commissioner.

Letter No.A5-2732-31 dated 14th July 32 from the Deputy Commissioner, Kadur District, to the Muzrai Commissioner in Mysore.

With reference to your No.933 Muzrai dated 7-1-32 calling for a report on the two petitions received from the Sajjada of Bababudan Darga in the matter of (1) the remission of the balance of the loan due by him (2) and also giving water facilities to the existing Darga buildings, I have the honor to state that a loan of R 4000/- was granted to the Sajjada as per Government Order Nos.1933-4/Muzrai 303-26-4 dated 7-4-1927 and No.1411-3/Muz.157-28-14 dated 16-1-30 respectively for executing repairs to the buildings on condition of repaying the loan amount with 5 per cent interest in 5 annual instalments. Out of this, a sum of R 800/- towards principal and R 200/- towards interest were recovered on 20-6-31 leaving a balance of R 3200/- yet to be realised towards principal from the Sajjada. The Amildar reports after inspection that the Sajjada has spent about R. 8000/- for repairs and construction of the buildings but the estimate cannot be taken as accurate in the absence of scrutiny by the Public Works Department. The expenditure incurred in this behalf is a proper charge on the funds of the institution. No good case has been made out for excusing the balance of the loan amount due. Time for repayment may be extended and the balance of loan recovered at R 400/- per year together with interest.

As regards water facilities, it is true that there is difficulty for water at the Travellers' Bungalow. As it is under contemplation to have the Travellers' Bungalow buildings rebuilt on a more suitable site, I am of opinion that it is not worthwhile spending any money at present for providing water facilities to the existing Travellers' Bungalow building.

The vernacular file and the petitions referred to above received with the Chikmagalur Taluk Amildar's No.20/31-32 dated 20-6-32 are herein enclosed for reference.

Sir,

I beg to state that I have been informed by the Financial Secretary that my prayer for the remission of the balance of loan due by me cannot be complied with.

In this connection I beg to bring to your kind notice that the loan in question was obtained for constructing Musafar-khana on the Hills for the use of the travellers who frequent the Dargah on a pilgrimmage. The buildings have costed more than Rs 8000/-. In addition to the loan from Government I have spent out of my own pocket to the extent of 3 to 4 thousand rupees.

I have made a part payment towards the loan a sum of Rs 1000/- Owing to Financial stringency and depression it has been very hard to raise money.

You may be pleased to consider that the building constructed by Government at a considerable cost on the Hills is proposed to be dismantled thereby foregoing the amount that has been spent on it.

In my case it is a matter of couple of thousands of rupees to be remitted. I have not utilised the amount for my own use. It was spent on buildings for the use of thousands of people who visit the Holy Place.

In these circumstances, I beg that my prayer may kindly be

be reconsidered and favourable orders passed.

I beg to remain,

Sir,

Yours faithfully,

Sajjada Nashin.

SIR,

With reference to your memo No.356/Muz.40-32-5 dated 27th August 1932 forwarding copy of endorsement issued to the Sajjade of the Bababudan Darga, I have the honor to state that orders of Government have not been communicated in the matter of recovering the balance of loan in annual instalments of Rs.400/- each recommended by the Deputy Commissioner and myself in my letter of 2nd August 1930. As it is represented that considerable difficulty is being felt in maintaining the services of the institution if a sum of Rs.800/- with interest is taken away every year, I request that the Deputy Commissioner's recommendation to extend the time and recover Rs.400/- a year with interest may be approved.
